The Sands of Time

Time is like a looking through an hour glass
The sands are slippin' and you don't know who's
next.

I looked out the window to see
If I could find me some time
Just to keep-
Well the people tell me I'm quite insane
Time isn't something you just put away.

Look over there, the sun's coming up
But don't close your eyes it'll soon
Be gone-
Don't turn your back on the day's
Passing, because my friend
It's all we have.

Winter, spring, summer, & fall-
The seasons come, the seasons go
Just as the lessons we've learned
Along the way-But the friends
We've made will remain.

FALL ...

When summer drifts into fall,
It's time for new beginnings and to start anew,
To search for new ways and to stand up tall.
The brightness of the atmosphere
Gives a fresh new start,
And the green summer leaves are only few.

Time will take this season and its new ways,
But experiences and memories of the season
Will always stay.

New Ideas From Principal

This school year brought us a new superintendent, Mr. Joseph Landavazo. He came to us from Apache Junction. He brought new ideas to the school and many changes occurred. In the course of the school year grass was planted on all the lawns, a new fountain was put on the front porch along with benches for the students and faculty's comfort. A new welding shop was built, the football field acquired a chain fence around it, and a track was set up in front of school. The main office was also remodeled. Along with the many changes the student council made a victory flag that flew over the school many a time. Mr. Landavazo feels that much more can be accomplished at PUHS. Another important factor in the function of the school was the school board (BOTTOM) which consists of (LEFT TO RIGHT) Mr. Nick Laguna, Pres.; Mr. John Urias; Mr. Ray Kunde, Clerk; Miss Doris Seibold, and Mr. Gene Forcum.

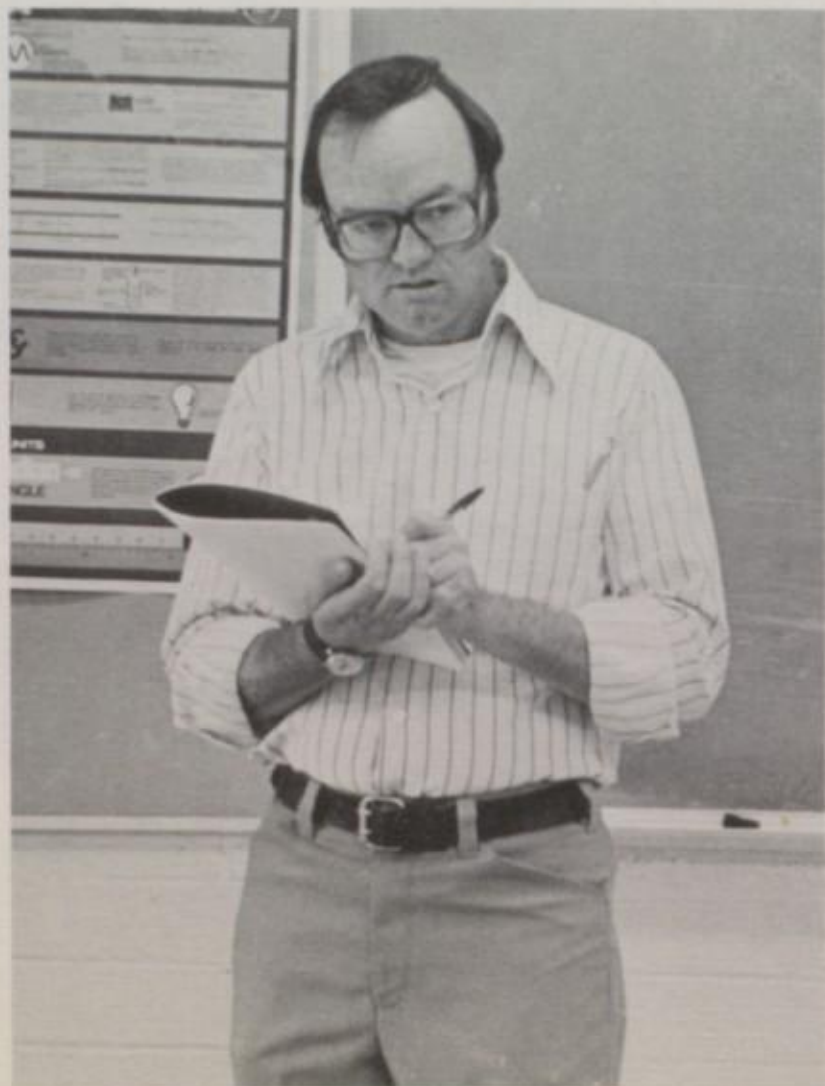

Office Ladies Have Many Jobs

The office ladies play an important role in the administration of the school. Mrs. Lonnie Miller (TOP LEFT) took care of attendance records and did a lot of typing. Mrs. Maria Benedict (TOP RIGHT) was the receptionist and lunch lady. Miss Joanne Shoenfeld (MIDDLE LEFT) was the Business Manager and took care of all budgets, money, and bills. Mrs. Mary Cervantes (MIDDLE RIGHT) was ass't. business manager. Miss Char Crawford (BOTTOM LEFT) was assistant librarian and assisted both the guidance department and the office. She also typed the Lobe Lingo weekly.

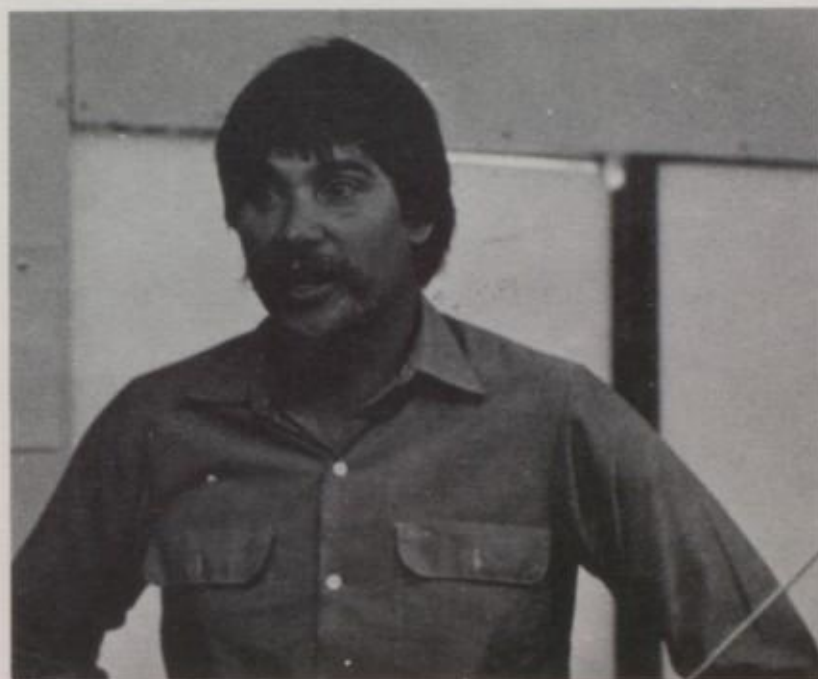

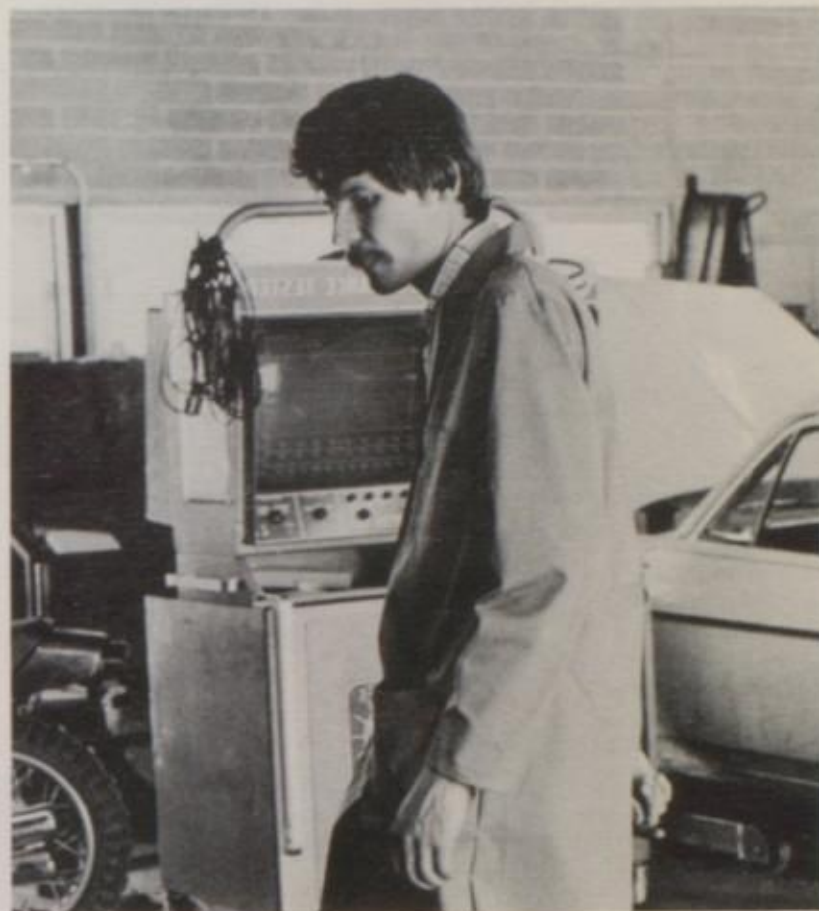

Like the limbs on the trees, the faculty spreads its branches of knowledge among the student body. Miss Alice Provencio (UPPER LEFT) has been teaching here for three years. She taught Freshman and Sophomore English, Spanish I & II, and sponsored the eighth grade. This was Mr. Scott Weiss' fourth year (UPPER RIGHT). He taught U.S. History, Senior Problems, Free Enterprise, and Business Law, along with being 7th grade and Munchies sponsor and JV girls basketball coach.

Mr. Duane Crunk (BOTTOM RIGHT) joined PUHS this year and taught Algebra I & II, Geometry, Trig, and General Math. He also sponsored the senior class. Mr. Byron Hackett (BOTTOM LEFT) has been at PUHS for 17 years. He was Guidance Counselor, Student Council and National Honor Society sponsor, and taught Jr. High English. Mrs. Rose Piper (OPPOSITE PAGE, TOP LEFT), has brightened up the school for the past 13 years. She taught Advanced and Basic English,

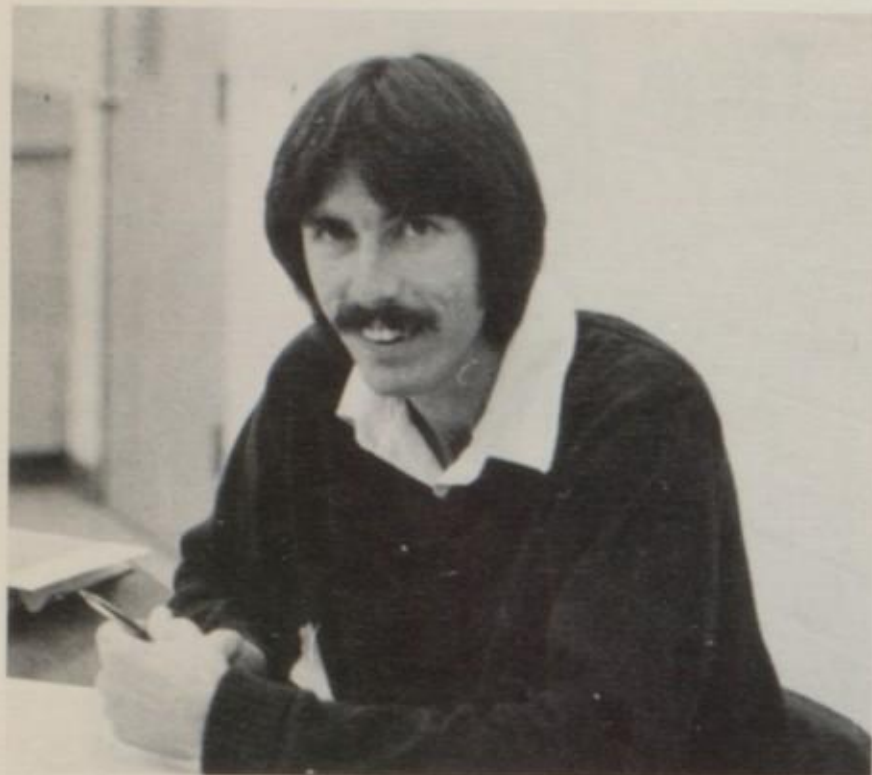

Publications, and was sponsor of Thespians, Lobo Lingo, Mesquite, and the junior class. Mr. John Chase (OPPOSITE PAGE, MIDDLE) came here three years ago and taught a new course, TV Media, a very active class. Time has brought Mr. Adolpho Barela (OPPOSITE PAGE, BOTTOM RIGHT) to his 26th year of teaching at PUHS. He taught Typing I, VOP, Shorthand I & II, VOE, Accounting, and sponsored FBLA and 8th grade.

A Time For Learning

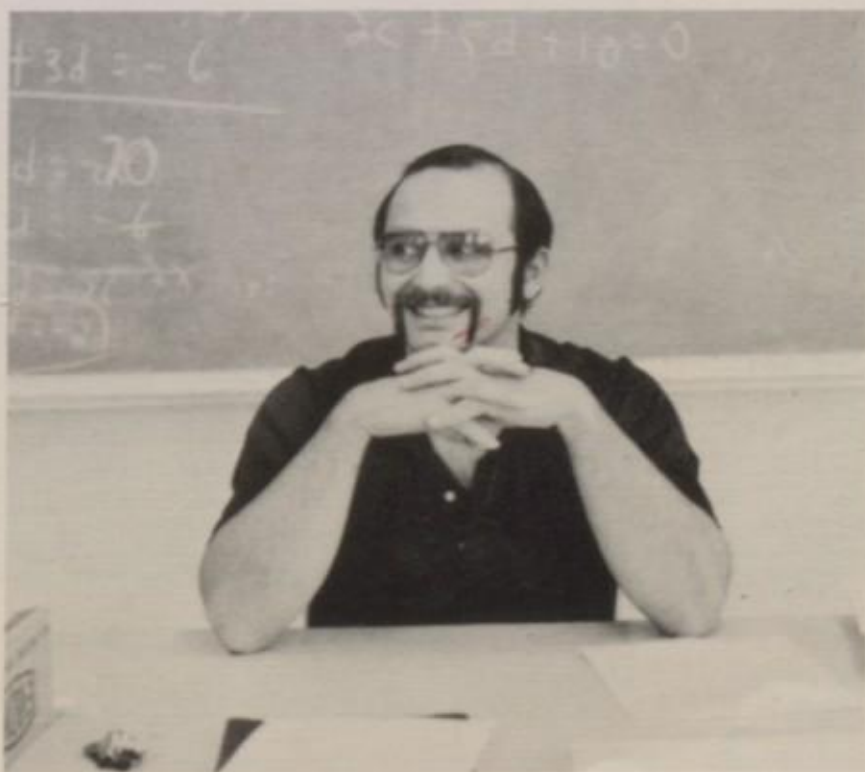

As the times change, so do the teachers. Mr. Greg Droeger (TOP RIGHT) taught his first year here as Auto Shop and Welding teacher, as well as sponsoring VICA and the sophomore class. Mr. Reg LeFevre (BOTTOM LEFT) served his 21st year. He taught reading, math, LAC, and was Librarian and Athletic Director.

It's Teaching Time...

Like the blooming of the flowers each spring, the faculty brings in different methods of learning for the students. Mr. Mike Hadow, (TOP LEFT) has been here three years teaching Health, Driver's Ed., and Jr. High Social Studies. He was also the boys' basketball coach and Junior sponsor. This was Mrs. Julie McCown's (TOP RIGHT) second year teaching Jr. High Science, General Science, math, and officiating as sponsor for the Science Club and Freshman class. She was also the JV volleyball coach. Mrs. Joyce Hinshaw (MIDDLE LEFT) started working here this year as a reading aide for Title One. For the past two years, Mrs. Betty Pinnell (MIDDLE) taught as the reading teacher. Mrs. Joanne Hanly (MIDDLE RIGHT) has been teaching the special ed. classes for two years. PUHS experienced a new science teacher this year. Mr. Peter Fagergren, (BOTTOM LEFT) spent his first year being Chemistry, Biology, Algebra I, and Consumer Math teacher. He was also JV boys' basketball coach.

In Every Season!

Two years ago Mr. Robert Westman (TOP LEFT) came to teach the music and guitar classes. He was also the cheerleader sponsor and started a tall flags group. Mr. Mike Vuke (TOP RIGHT) taught woodworking and drafting for the past three years. He was also the Senior class sponsor. Mrs. Jo Logan's (MIDDLE LEFT) teaching here began three years ago. She taught all Home Economics classes and was the 7th grade and FHA sponsor. Miss Connie Richardson (MIDDLE RIGHT) taught here six years in junior high social studies, junior high drama, and P.E. She is also the coach for all girls sports: volleyball, track, and basketball, and is the Sophomore class and Letterman's sponsor. Mr. Tom Monico (BOETOM LEFT) taught World History, P.E., and sponsored the Freshman class. He was also baseball and football coach and has been teaching here for six years.

PUHS Honors Its Talented Students

Last year Mike Proctor (TOP LEFT) and Susan Gilkey (TOP RIGHT) were picked by the faculty as Boys' and Girls' State representatives. They were picked on the basis of leadership, participation in the school and community, and community service. Boys' State was held at NAU June 5-11 and Girls' State at the U of A the week right after that. Mike and Susan learned how to campaign for public office while there, as well as meeting a lot of new friends and having a lot of fun. Jaime Valenzuela (BELOW) was a member of the Lobo baseball team for the year of '77-'78. He was an excellent pitcher and won All-Conference Honorable Mention for the position.

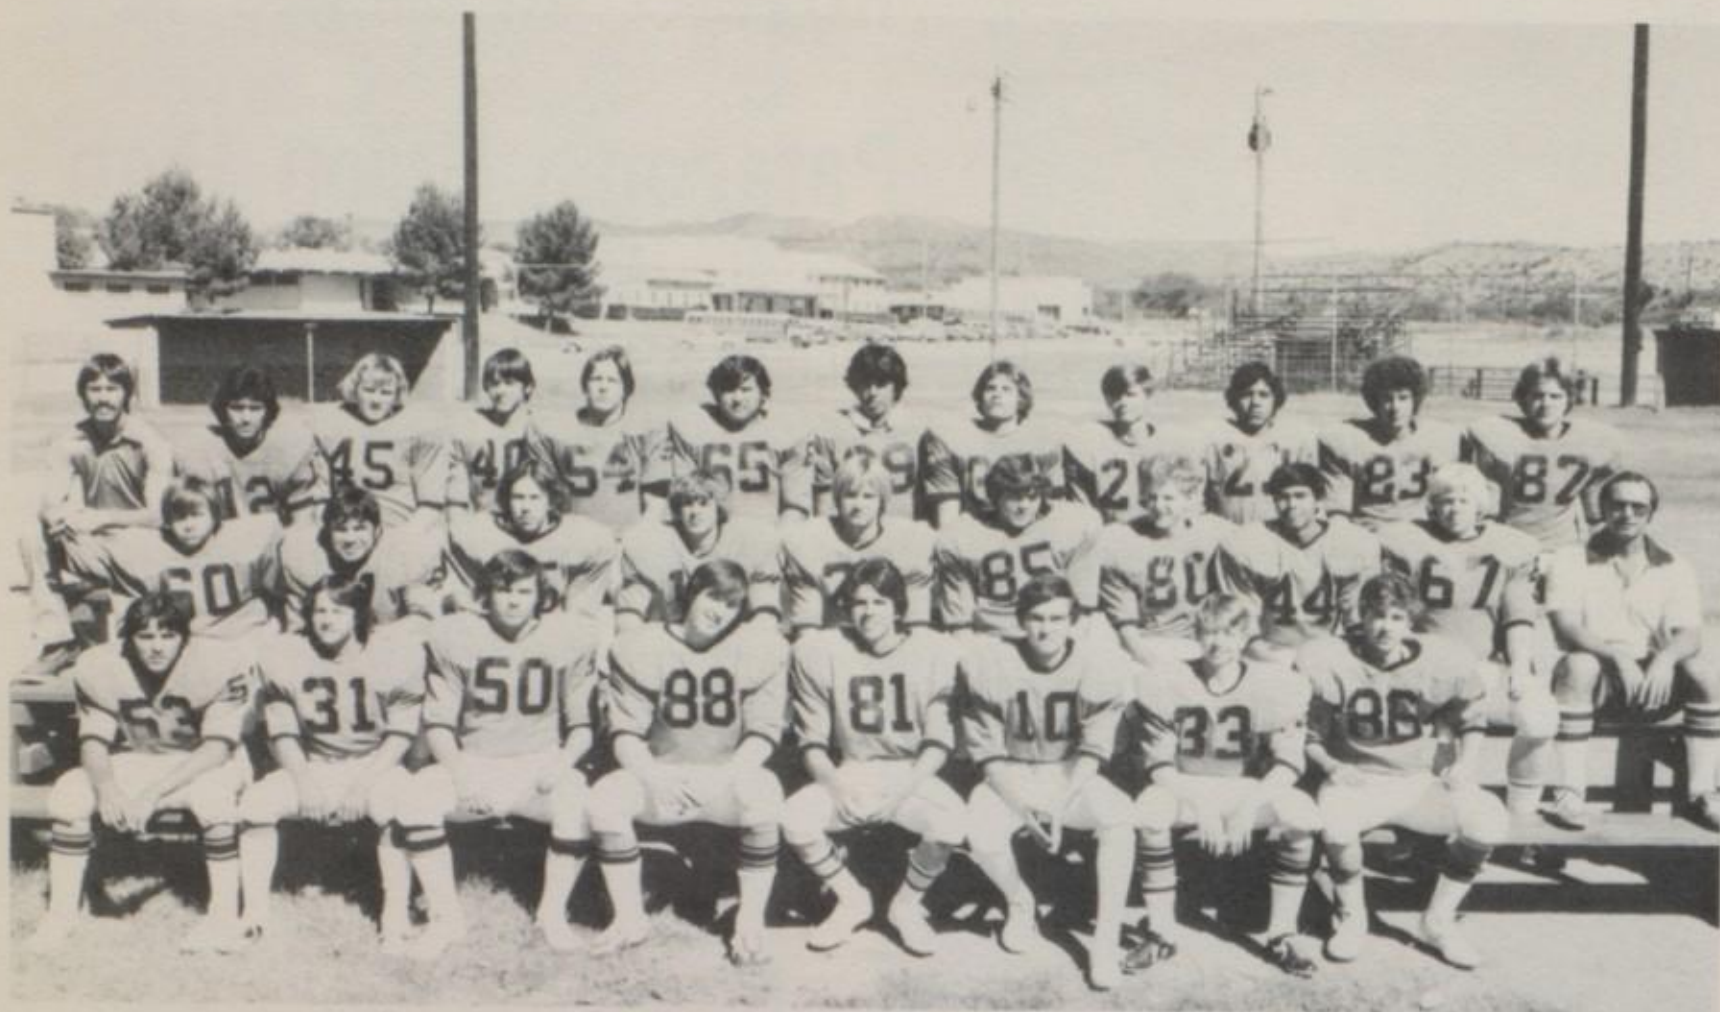

Royalty At Home In Patagonia Union High

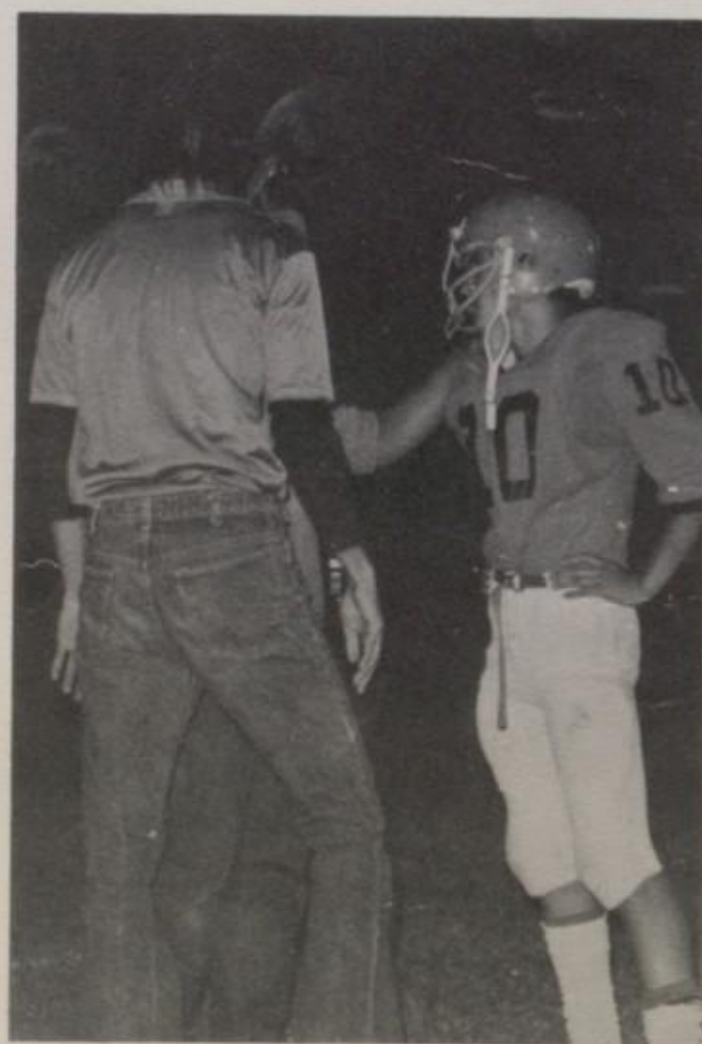

Last September's Miss 4-H was Terri Basinger (TOP LEFT). She was crowned at the Santa Cruz County Fair and elected by the votes of her fellow 4-Hers. Terri was honored by the position for the 4-H year that ended in September. Kelly McFarland (BELOW RIGHT) and Sherri Basinger (BELOW LEFT) were attendants at the Santa Cruz County Rodeo held at the Sonoita Fairgrounds over last Labor Day weekend. To win this honor, they had to ride their horses in a pattern, ride over to the judges and answer questions, and then run the barrels. They acted as hostesses at the rodeo and attended the Rodeo Queen as she rode around the arena at the beginning of the rodeo.

Senior Dominated Team Wins Homecoming Game

The senior dominated football team was not as successful as teams in the past. They finished the season with a 1-6 win-loss record. Despite the losing season, the Lobos rallied to win the Homecoming game against Bowie, a game played in rain and mud. The year was mostly a rebuilding year, and it ended with a number of injured players. Pablo Dupont, a new Sophomore, was a great asset to the team, making over half of the total touchdowns.

Volleyball Girls Have Uneven Season

The Loboettes had a difficult season this year, ending with a 6-8 record. Competition was tough this year with the Loboettes playing a lot of bigger schools. The Loboettes experienced difficulty in keeping up their consistency. All in all they had a fun and learning season. (UPPER LEFT) Lety serves at Nogales. (UPPER RIGHT) Curly spikes it over. Members of the varsity team were (MIDDLE LEFT, L TO R) Kathi Berg, Michele Guimond, Suzanne Ambrose, Curly Gilkey, Terri Basinger, Kim Patty, Sherri Basinger, Jenny Mattox, Cindi Young, Mimi Letarte, and Lety Padilla. Rain Fails To Dampen Homecoming Spirits

Homecoming '79 greeted the Lobo fans and San Simon with a rainstorm and a very successful wet parade. There were eleven entries in the parade from classes and clubs. The Sophomore class won for the best float. The theme for the dance this year was "Reach For The Stars." Lety Padilla and Russell Findlay (TOP LEFT) certainly did reach for the stars as they were crowned Homecoming King and Queen. Halftime events were held at the dance due to the rain at the football game. (BOTTOM LEFT, FROM LEFT TO RIGHT) Freshman Attendants: Roy Walsh, Clara Lee, Sophomore Attendants: Art Lorta, Terri Basinger, King and Queen: Russell Findlay and Lety Padilla, Senior Attendants: Mike Proctor, Tracy Grombly, Junior Attendants: Tom Woodhouse, Kathi Berg. The Juniors did a great job with the decorations by giving the atmosphere a hazy effect and a sprinkling of silver stars. The Lobos brought home a victory. The score at half time was 14-0. The Homecoming Committee was (BOTTOM RIGHT, LEFT TO RIGHT) Mrs. Piper, Sponsor, Mary Moreno, Cindi Young, and Suzanne Ambrose.

Getting Things Done While Having Fun- Student Council!

Student Council had a good year! They again entered state competition, after receiving the state award at the State Convention for last year's entry. The award was for planning and carrying out the year's program. The Student Council Carnival held on October 18 was successful, providing a good time for a large crowd of people. New chores also included a campus cleanup, a victory flag, and a Masquerade Dance. Officers (ABOVE LEFT): "Top of the heap" was longtime sponsor, Mr. Byron Hackett. WINTER ...

I softly tiptoe through the night,
I delicately prance,
I make the world pure and bright,
I jump and flip and dance.

I would not say that I'm not welcome
for both young and old.
And even others odd colorsome
don't mind the cold.

Despite the cold I warm up hearts,
And with my fluffy blanket I can cover
The oddities and arts.

I bring on many holidays and sports
Good will and cheer and lots of fun.
And cookies, meats, and eats of all kinds and sorts,
Until the time has come for me to go,
And yield away to the unrelenting sun.

JV Shows Spirit Hustle

This year the junior varsity basketball team showed a lot of spirit and hustle. They compiled a season record of 10-3 and promised to be valuable assets to the PUHS basketball future. This year the Lobos had an outstanding season. Their overall record was 16-6, which gave them the conference title. At the district tournament they beat Ft. Thomas in overtime to bring home the championship trophy. At the state tournament the Lobos won their first game against Salome to go into the finals. They brought home the runners-up trophy after losing to McNary. (MIDDLE, L TO R): Sed shoots from the outside. Larry brings down a rebound. Bill puts in two points. Steve shakes hands to begin the game. (BOTTOM): Coach Haddow imparts some winning strategy.

Loboettes End Season 2nd In Conference

The Loboette basketball team finished second in district play and earned a trip to the state tournament. At state they played first place north team Joseph City and came close to winning, losing by only six points. The Loboettes ended the regular season with a 16-6 overall record and an 8-2 conference record. Since the Loboettes were young and lost only three players to graduation, they look forward to another good season next year. On the squad (TOP RIGHT, BACK TO FRONT, L TO R): Kathy Barney (mgr.), Sherri Basinger, Terri Basinger, Kim Patty, Crickett Arbizo, Lety Padilla, Kathi Berg, Jennie Mattox. (KNEELING, L TO R): Connie Richardson (coach), Leslie Kunde, Mimi Letarte, Michele Guimond, Scott Weiss (ass't. coach). (TOP LEFT): Coach Richardson looks on.

(BOTTOM, L TO R): Terri fights for a jump ball. Kim gets in position to rebound.

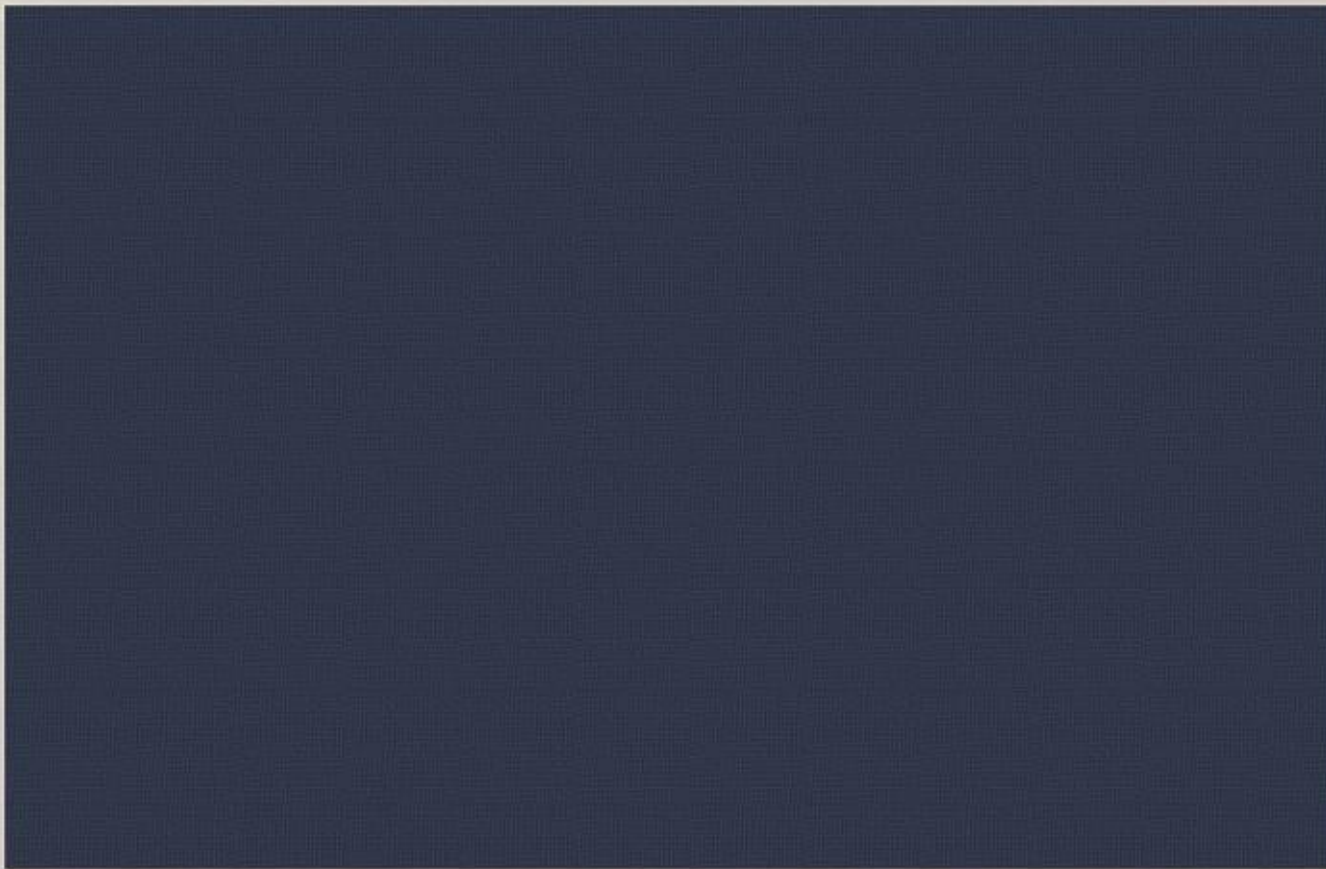

Kathi shoots for two. Lety tries for a free shot.

Tall, Talented JV's Train To Step Into Varsity Shoes

The squad (MIDDLE LEFT, BACK TO FRONT, L TO R): Scott Weiss (coach), Shelly Putnam, Rosa Paez, Gunilla Eagleton, Tacy McKinney, Kathy Barney (mgr.), Mimi Letarte, Ronnie Mejia, Kim Sottosanti, Loretta Lowe, Sherri Basinger. (TOP RIGHT) Mrs. Weiss. (MIDDLE RIGHT) Mimi looks for someone open. (BOTTOM, L TO R): Kim shoots a free throw. Tacy goes for a block.

Cheerleaders Improve During Year

This year's cheerleaders were inexperienced and had some problems getting organized. However, during January their hard work paid off, and they finished off the year in great style. A new addition to the squad was mascot Terry Heggins (LOWER LEFT), who dressed in her Lobo outfit and helped introduce the starting lineups. (BELOW MIDDLE). This year's cheerleaders also did pompon routines at halftime. The cheerleaders are (TOP RIGHT, L TO R): Jackie Paton, Kelly Heggins, Cathy Barney, Terry Heggins (Lobo), Kim Patty (Captain), Angie Montiel, and Suzi Mayson. Kelly yells for the Loboettes (LOWER RIGHT) and the cheerleaders do a cheer at an away game (RIGHT MIDDLE).

This year's cheerleaders had a lot of fun while cheering. Here they are doing the end of "Get It Together", a favorite cheer (TOP). The cheerleaders got a kick out of doing crazy things such as wearing socks with eyes (MIDDLE). The old uniforms, which were used during the football season, are at BOTTOM.

FHA Has Active Year

This past year was an unforgettable one for FHA. They had quite a few money raising ideas, their big District Convention at Cholla High School in Tucson, and the State Convention in Flagstaff. New Students Bring New Ideas

This year PUHS had a number of new students. Some of them came sort of early in the year, while others came after the start of the second semester. They brought new ideas and variety to our lives here to PUHS and contributed a lot to the school during the time they were here. Some of them came early enough to participate in sports and other activities. Most of them had never been to this area (one of them, Kelly Heggins, returns regularly to PUHS every year) and enjoyed our climate and the fun of being in a small school.

The new students were (TOP TO BOTTOM, L TO R): Kelly Heggins, Greg Cooney, Robert Lung, Bruce Miller, Craig Muller, Kim Goudie, Criss Kosics, and Greig Kosics. Some of these students were photographed while in class or somewhere on campus.

This year four girls were picked by the PUHS faculty to become members of the National Honor Society. They were picked for their scholastic achievement, service, character, and leadership. These new members were: Kelly Heggins, Kathi Berg (JUNIORS), Josie Rodriguez, and ChaCha Quiroga (SENIORS). They join Mike Proctor (FAR RIGHT) and Tracy Grombly, (MIDDLE). Their sponsor is Mr. Byron G. Hackett.

Tomorrow's Leaders Honored

State Representative Comes To PUHS To

Discuss The Issues

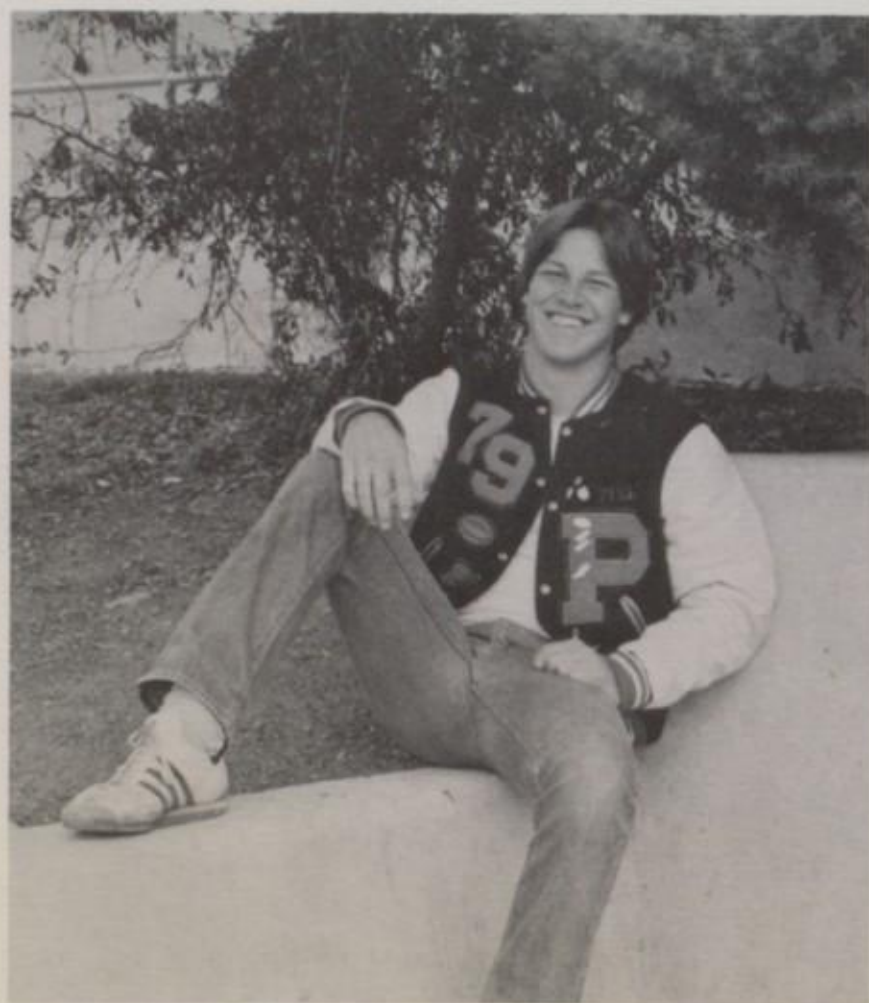

Morris K. Udall, Arizona's representative for the Second Congressional District, came to PUHS Feb. 13 for a special question and answer session with the students. He talked on a variety of subjects covering the SALT talks and the ERA. The students asked a lot of questions (as did teachers or anyone else who wandered in). (BOTTOM LEFT) Mike Proctor introduces Representative Udall.

Gridsters, Track Team Are Honored

Last year's girls' track team won the State C Track meet and brought the championship home to PUHS for the second year in a row. PUHS Wins State In Politics And Jr. High Gets First Taste Of Victory.

Patagonia Union High School was first in the state for Student Councils in the '77-'78 school year. The whole school worked extremely hard for this award and summarily won it. It was presented during fall of 1978 to Michael Proctor, student council president (BOTTOM RIGHT). Two junior high students, Don Vines (TOP LEFT) and Paul Schwartz (TOP RIGHT) got their first taste of victory at this year's spelling bee. Paul won the event and Don received runner-up.

Patagonians Get Honors In School And Out

Patagonia had many "winners" amongst its student body this year. The students worked hard in many different categories. This page of the Mesquite is dedicated to those who excelled in their fields-in school and out. The two students who excelled in school were seniors Mike Proctor and Tracy Grombly. Mike (TOP LEFT) was this year's valedictorian of the senior class and Tracy (BOTTOM RIGHT) was the salutatorian. Christy Murray (BOTTOM LEFT PICTURE, RIGHT) was elected FHA District Secretary. In this picture, she is accepting the position from last year's FHA District Secretary, Jackie Derrington.

SPRING...

Spring flowers, yellow bees,
You and me are walking
Through the trees.
Blue skies, sunny days,
Butterflies and fluttery ways,
Birds sing, we run,
Jump up
And celebrate the sun.

Windy days and kites to fly,
Fluffy clouds, like
Silhouettes up in the sky.

Spring is here, let's celebrate,
And jump and sing -
We're feelin' great!

Prom-'79: Always And Forever

Prince Larry
'n'
Princess Lona

King Russell
'n'
Queen Lety

The theme for this year's Prom was "Always & Forever." The Juniors worked hard and got the job done. The band was called "Stewart Group." Jaime Valenzuela and Lety Padilla reigned over the dance as King and Queen with Larry Forcum and Lona Crehan as Prince and Princess.

Always and forever
Each moment with you is just like
a dream to me
That somehow came true,
And I know tomorrow will still be
the same
Cause we've got a life to love that
won't ever change.

And everyday love me your own
special way.
Melt all my heart away with a
smile.
Take time to tell me you really
care
And feel sad tomorrow together.
I'll always love you...forever
forever.

Robert's Song

Its a mystery in our lives,
Seems we only live to die.
Young and old we're all alike,
And one day we will be gone.

Friends gathered 'round.
Tears filled our eyes.
For you have gone away,
And sorrow fills our hearts.

You have left us to go
With the Lord up above.
And we know you're happier now
In the hands of God.

You're in a better place now
And looking down at us.
Guide us thru our daily lives now,
As we go from day to day.

Your happy go lucky style
Will be missed by us all.
We loved you, Robert Boy,
And your memory lives on.

Not a moment goes by
That you're not thought about.
Nor does a day pass on
That you're not talked about.

As I sing my song, Robert Boy,
Live in our lives from day to day.
And with tear-filled eyes we pray
That someday - We will reunite.

SUMMER...

Sunny, scorching days reach me
through my window.
Sitting in the warmth,
I yawn.

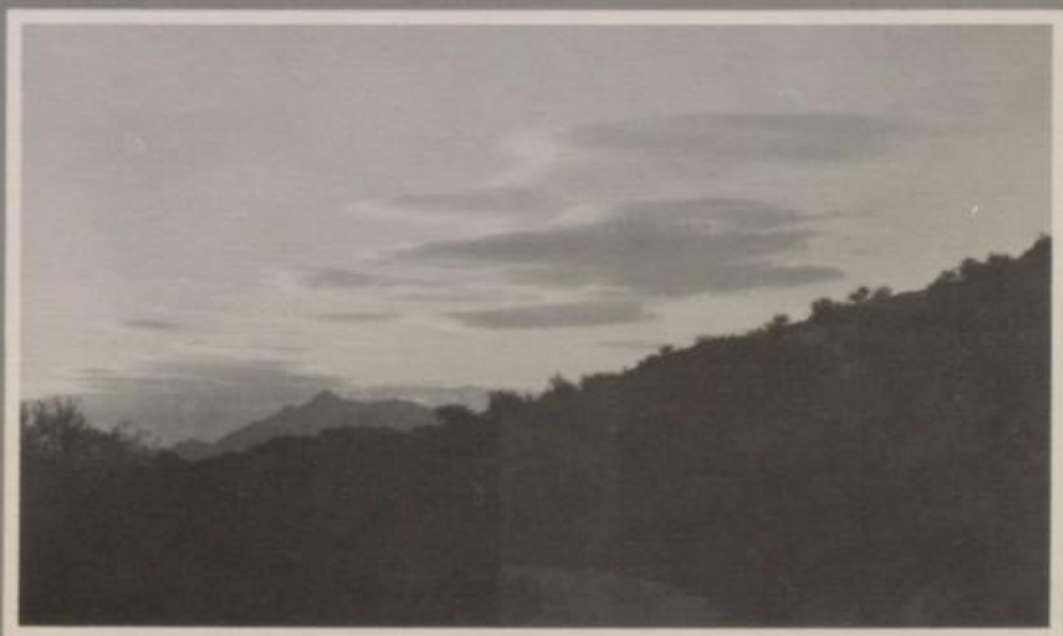

Lazy days and crazy ways.
Frolicking in pools and splashing
in the sun.
Walking through the forest
hand in hand.
Feeling the coolness of the grass
between our toes.

Free at last - from noon to eight o'clock
or even dawn.
Tanning oil, towels and sand,
Glistening waters, gulls and sun.

S-U-M-M-E-R
The wind spells freedom to my mind.

We travel through times,
Through memories, through seasons,
And each year that passes leaves
More on our minds.

We travel through times
With love and with sorrow,
With hopes and desires
And smiles and frowns.

Through memories we go
As far as we can,
And try to forget the
Times we dislike.

And seasons like magic
They come and they go.
With each comes a good time
And memories to go.
